Highland School
Midland Park Junior/Senior High School

Dear Parents/Guardians:

Every year the Midland Park School District receives federal and state funding for school programming to provide more academic support for children. The grants are called Title Funds. Since Midland Park uses federal/state funding it is mandatory that we reach out to you on an annual basis to make sure that you are aware of the resources/opportunities for your child. You are receiving this letter because at least part of your child's program this year or last was funded through Title I grant money. More specific information may be found in the Title I parent meeting letter enclosed.

Enclosed in this envelope are 3 items that we would like you to review:

1. **District Wide Parental Involvement Policy** – This policy must be distributed to the parents of every child participating in Title I.
2. **Parents Right Know Letter** – This letter must be sent out annually to inform parents of their right to ask about teacher qualifications.
3. **Annual Title I Parent Meeting** – A yearly meeting is held to inform parents about the Midland Park Title programs.

Should you like a copy of all the information in your native language we will do the best we can to provide those resources. Please contact the curriculum office for help.

Also, parent engagement for Title I participants is important to us. Please provide any feedback related to Title communication in the survey located at www.MPSNJ.org → Academics → Curriculum → Title I
